Welcome!

The Nebraska Trucking Association's Safety Management Council welcomes you to the 2019 Nebraska Truck Driving Championship on May 31-June 1, 2019 in Grand Island. This annual event showcases the state's finest drivers and the world-class companies these drivers represent. To register drivers, your company must be a member of the Nebraska Trucking Association. You may enter a maximum of five drivers in each class of competition. Drivers must compete in the class indicated on their official entry.

All paperwork and fees must be received by the Nebraska Trucking Association at 1701 K St, Lincoln, NE 68508 NO LATER THAN May 1, 2019 or driver(s) will not be eligible to compete.

Once NTA receives all necessary forms and fees, you will receive two championships shoulder patches and a 2019 Facts for Drivers book for each driver. Questions for the written exam will be taken from this book and current events from the NTA's weekly Good to Know e-news at www.nebtrucking.com/good-know-newsletter-archive/

Headquarters hotel Ramada Wyndham Midtown in Grand Island can accommodate most participants and volunteers. However, there's still a good chance the hotel will sell out long before the event. Make your reservations as soon as possible. The Ramada Midtown's number is 308-384-1330.

At the championships, the drivers will participate in:

- a written test to demonstrate their knowledge of regulations and safety
- a personal interview to show their ability to represent your company
- a pre-trip inspection to display their equipment safety awareness
- a driving course to demonstrate their driving skills on key challenges faced daily
- Champions in each class may advance to American Trucking Associations' Championships, Aug. 14, 2019 in Pittsburgh!

Incentives

First, second and third place winners in each class receive trophies. Additional awards are given to the drivers who achieve the highest scores on the written test, pre-trip and driving skills portions of the competition. We also recognize a Grand Champion, a Rookie of the Year, Professional Excellence award recipient, Jerry Wessel All-Around Driver, Kurt Everett Vehicle Condition award recipient, R.J. "Bucky" Buchholz Top Driver award recipient, and a team title earned by the company with the highest average score. A company must have at least three drivers to be considered for the team award.

Practice rules

A driver may not practice on company time or be paid for practice time. Violation will disqualify the driver from the championships. You may, at your option, elect to pay the driver for an actual working day spent in competition and/or reimburse expenses for the driver and his or her spouse at the championships. You are urged to adhere to the practice of not paying drivers for normal off-duty hours. If the Saturday of the championships is a driver's regular day off, he or she should not be paid for Saturday. A driver may not compete in any vehicle that he or she has practiced with or driven prior to competition. Violation will disqualify the driver from the championships.

Why is the form smaller this year?

We simplified the forms so people can quickly tab through and fill in blanks. Less is better, right??

- Why do we need a List of Drivers Form? Because it helps companies and NTDC organize finances and drivers and points to one company contact for information.
- Why do we need a Meal Ticket Form? In order to ensure everyone has enough food and to ensure NTDC doesn't overspend. With the form, we can also itemize meal costs and allow for special diets.
- Why do we need Announcer Information History found on "2019 NTDC Driver" form? In order to engage the crowds and provide some talking points during the driving skills test, we ask for personal/background information. It's similar to ways announcers prepare for golf or football games.
- Why do we ask for a Sponsor Form and Volunteer Forms? Company representatives who register drivers are often the same people who organize sponsor and volunteers for the event. Without this type of help, NTDC wouldn't be such a valuable and popular event.
- Why do we need ATA Championship forms? Additional driver information, disclaimers and the driver's signature are found here.
