of drivers dispatched

yrs employed in roll

yrs involved in industry

Explain the qualities that make this nominee an exceptional dispatcher. Why are you nominating him or her? Please attach additional evaluations and testimonials from customers, drivers, the safety department, etc. that support this nomination.

From May 1, 2018 to April 30, 2019

1. What was the driver turnover rate for drivers dispatched by this nominee?
turnover rate=number of drivers who quit divided by average number of drivers
2. What was the DOT recordable accident frequency rate for drivers dispatched by this nominee?
accident frequency rate=(number of accidentsx1,000,000) divided by total mileage
3. What was the percentage of hours-of-service violations for drivers dispatched by this nominee?
percentage=number of HOS violations divided by total number of roadside & internal inspections
4. What was the percentage of unexcused late deliveries dispatched by this nominee?
percentage=unexcused late deliveries divided by total number of deliveries.

When a driver is available, what's the average length of time trucks sit before they are dispatched?
