

The Nebraska Truck Driving Championships is a great opportunity for you to network, connect with the trucking community and share information about your business. Not only do we offer the time to shake hands and network, we offer sponsorship opportunities to get your name in front of decision makers.

We look forward to seeing you there!

Sponsorships come in five levels. Running such a large event and renting Fonner Park is not cheap. Thanks for honoring our best drivers and companies with your sponsorship!

Presenting Sponsor	No. 1 on signage the event program, web and electronic signage. Extra attention at announcements throughout the event.	\$2500 or more
Diamond Sponsor	No. 2 on signage the event program, web and electronic signage. Extra attention at announcements throughout the event.	\$1500
Platinum Sponsor	No. 3 on signage the event program, web and electronic signage. Attention at some announcements throughout the event.	\$1000
Gold Sponsor	No. 4 on signage the event program, web and electronic signage.	\$500
Silver	No. 5 on signage the event program, web and electronic signage.	\$250

Honoring history, those who sponsor specific events or products, will be credited according to the amount spent. For example, if someone traditionally sponsors lanyards for \$800, then the sponsorship would be called Gold Sponsor – Lanyard. If they sponsor another activity for \$3000, then they would be considered Presenting Sponsor – Activity. All events may be co-sponsored unless that sponsor wishes to be an exclusive sponsor in which case, they would cover the full cost of the event.
